

CASCADES RAPTOR CENTER

An Intimate Experience
with Eagles, Hawks, Owls,
Falcons and more!

CASCADES RAPTOR CENTER

Nestled on a wooded hillside in Eugene, Cascades Raptor Center is a nonprofit nature center and wildlife hospital specializing in birds of prey.

The Raptor Center fosters respect, wonder, and stewardship of the natural world through public education and wildlife rehabilitation.

Do something wild today!

Come see hawks, owls, eagles, falcons, kites and more!

Visitors of all ages enjoy the opportunity to see:

- the artistry of feathers,
- the adaptation of form to function,
- the power of beak and talon,
- the camouflage of shape and pattern.

Discover Oregon's rich raptor heritage!
